The only filed response to the Motion was *G.Ra.Co. Awards Manufacturing, LP and RETT, LP's Response to the Trustee's Motion to Approve and Disallow Cost of Administration Claims* (Dkt. No. 1937) (the "Response"). The Response claims that RETT, LP ("RETT") is entitled to an administrative expense claim in the amount of \$112,088.29, and that G.Ra.Co. Awards Manufacturing, LP ("Graco Awards") is entitled to a breakup fee in an amount between \$25,000 and \$58,111.14. RETT argued that it is entitled to an administrative expense claim on account of the following categories of damages: (i) environmental damages incurred during the postpetition occupancy of the leased premises and during the Debtor's vacation of the leased space; (ii) additional damages to the building during the move-out process; and (iii) damages on account of the fact that RETT could not lease the premises during the cleanup, repair, and remediation process.

The Declaration of Tom Tucker filed in support of the Response identifies a total of \$22,913.97 in costs incurred related to environmental testing, remediation and related clean-up of the premises; \$46,466.44 in repair costs for building damage; and \$36,677 in damages as a result of the fact that it could not re-let the premises. Mr. Tucker provided evidence of damages by attaching copies of various invoices and checks. Graco Awards previously provided evidence in support of its breakup fee claim in the form of billing invoices. Graco Awards substantiated that it incurred \$5,920.64 in out-of-pocket expenses in connection with its role as a stalking-horse bidder in the sale of the Tomball assets. *See* Dkt. No. 480.

In the Motion, the Trustee proposed to allow an administrative claim in favor of RETT in the amount of \$14,414.22 to be paid 40 cents on the dollar. After submission of the Response and the additional documentation substantiating out-of-pocket expenses incurred by RETT, the parties engaged in discussions regarding resolution of the objection of RETT and Graco Awards. The parties have agreed to the following resolution of the administrative claims asserted by RETT and Graco Awards: (i) RETT shall be entitled to an allowed administrative expense claim of \$33,926.97 to be paid at the rate of 40%, and shall be entitled to an assignment of any right of the estate to

pursue its insurance carrier for flood damages caused to the Tomball premises without any other recourse to the estate; and (ii) Graco Awards shall be allowed an administrative claim in the amount of \$5,920.64 (the amount of its substantiated breakup fee out of pocket expenses) to be paid at the rate of 40%.

The agreed resolution of the claims is reasonable, and in the best interests of the estate in light of the out-of-pocket damages documented by RETT, LP regarding its clean-up, repair, and environmental remediation of the property. In negotiating the resolution, the Trustee withdrew his proposal to allow RETT, LP a claim for real estate taxes because the Trustee's review of records disclosed that the Debtor had overpaid real estate taxes for 2015. The agreed-upon resolution accounts for the late fee, and prorated insurance (in the approximate combined amount of \$11,000) the Trustee originally proposed to pay in the Motion. It also accounts for the additional approximately \$22,000 for damages incurred to the Tomball premises during the postpetition, prerejection period of the estate's occupancy, including environmental damages for which the estate could be liable absent RETT's remediation efforts.

## II. **CONCLUSION**

The Trustee asks that the Court enter an order granting the Motion, modified to reflect the agreed resolutions of the administrative claims asserted by Michael White, RETT, LP, and Graco Awards as described herein.

Dated this 4th day of December, 2018.
